**College of Behavioral and Social Sciences Advisement Center**

**Advisement**

You are required to meet with your advisor at least once each semester before you can register for classes. You will be contacted through your GS student email account with details regarding how to set up an advisement appointment. Georgia Southern University email is the only official means of communication from the university. It is your responsibility to check your GS student email account regularly and respond to all emails in a professional and respectful manner.

**Withdrawal Policy**

As an undergraduate at Georgia Southern University, you may withdraw from a maximum of six (6) courses for your entire enrollment at the University. Once you have reached your maximum number of withdrawals you may elect to receive a "withdraw-failing" (WF) grade in a course, which is calculated as an "F" for GPA purposes.

**First Day Attendance Policy**

University policy requires that you attend the first class meeting of all classes for which you are registered. If you do not attend the first class meeting of a course for which you are registered, you will be dropped from the course. It is your responsibility to verify course drops and check that fees are adjusted.

---

**Movement Through the INDS Program**

Once accepted into the Interior Design program, you will move through a series of five (5) Design Studio courses. This is a five-semester sequence (Spring/Fall semesters). Along with each Design Studio class, you will take a prescribed group of other classes for the major, as well. This course movement is fixed, because of pre-requisite requirements and course rotations. Taking these classes out of this order could delay graduation by up to 1 academic year.

**Notes:**
- *TCGT 1520 (Fall/Spring/Summer) & ARTH 2531 (Fall) can be taken during any year in the program.
- **Students transferring into the Interior Design major from other majors/institutions may not be able to graduate within the traditional four year period.
