**Fall Milestones:**
- Apply for Graduation.
- Submit applications for any graduate programs.
- Check DegreeWorks and confer with your advisor to verify you are on track to graduate.
- Use the Writing Center to help create polished senior papers.

**Sophomore:**
- Meet with your Academic Advisor before your registration date so that you can register on time.
- Attend a Success Workshop to learn about time management and study skills.
- Consider a leadership role in a campus organization.

**Junior:**
- Explore Study Abroad, Internship, and Graduate School opportunities.
- Create a resume – visit the Office of Career and Professional Development for help.
- Identify a Faculty Mentor.
- Attend a Career Fair.
- Take any Entrance Exams required for graduate programs when you have ample study time.

**Senior:**
- Check DegreeWorks and confer with your advisor to verify you are on track to graduate.
- Take any Entrance Exams required for graduate programs when you have ample study time.

**Bolded font** indicates classes only offered that semester.

*A grade of “C” or better is required.*

Ultimately, it is the student’s responsibility to ensure that they meet all program requirements.

Taking any coursework that does not fit within your chosen program of study may impact your financial aid.

**Prior to Application to Interior Design Program**

Before applying to the Interior Design program, student first need to:
- Declare Interior Design (INDS) as a major.
- Have a minimum of first semester sophomore status (30 credit hours completed) upon applying for the program.
- Achieve a minimum total overall institution GPA of 2.25 or better on all course work attempted (transfer course work and work completed at Georgia Southern University are considered). Complete the following Area F courses with a minimum grade of “C”. (Students may be enrolled in any of these courses during the application semester.)
- INDS 2430 Design Appreciation
- Two (2) of the three ART Courses in Area F: ART 1010, ART 1020, ART 1030 (preferably ART 1010 and ART 1020)

Attend an orientation session with Interior Design Faculty, which are held once a semester (Spring and Fall only), typically 2 weeks prior to the deadline for application.

### InDSS Major Requirements

**Application to the Interior Design Program**

The following completed Admission Package must be turned in by the application deadline in order for the candidate to be considered:
- Official Application
- Letter of Intent
- Verification of grades with official transcripts of all schools attended including this university (WINGS accepted); mid-term verification of grades for all required courses in process. (Students may be in the process of taking Drawing I [ART 1010] or 2D Art and Design Foundations [ART 1020] and will be required to submit a mid-term grade from the professor. Final acceptance is contingent upon the final grade received in the course.)
- Mid-term Verification card: Contains midterm grade verification and signature of professor for all Area F courses where student is enrolled in the same semester as application (final acceptance into the program is based on final grade in currently enrolled courses). Midterm grade cards can be obtained from the secretary in the building the Interior Design Program is housed in.

**Application Deadlines**

Fall Applications—(October) Applications due by 4:30 pm the Friday following the last day to withdraw in Fall semester. Students will begin the program and the 1st studio course in the Spring.

Spring Applications—(March) Applications due by 4:30 pm the Friday following the last day to withdraw in Spring semester. Students will begin the program and the 1st studio course in the Fall.

Summer Applications—(July) Applications due the 3rd Friday in July pending available spots not filled from Spring applications. Students will begin the program and the 1st studio course in the Fall.

**Program Progression Requirements**

Students must earn a minimum grade of “C” in all courses within the major requirements including remaining Area F courses.

Students must complete the courses in sequence and complete all prerequisites. If a course is dropped or failed, then the student will be out of sequence and graduation will be delayed. These students may have to reapply to the major depending on circumstances, availability of space, and time elapsed between classes.

Majors that drop from the program due to personal reasons and wish to reapply at a later date must have courses and skills reevaluated to determine eligibility for the current curriculum and program.

**NOTE:** Students transferring into the Interior Design major from other majors or from other institutions may not be able to graduate necessarily within the traditional four year period.

### Advisement

You are required to meet with your advisor at least once each semester before you can register for classes. You will be contacted through your GS student email account with details regarding how to set up an advisement appointment. Georgia Southern University email is the only official means of communication from the university. It is your responsibility to check your GS student email account regularly and respond to all emails in a professional and respectful manner.

### Withdrawal Policy

As an undergraduate at Georgia Southern University, you may withdraw from a maximum of six (6) courses for your entire enrollment at the University. Once you have reached your maximum number of withdrawals you may elect to receive a “withdraw-failing” (WF) grade in a course, which is calculated as an “F” for GPA purposes.

### First Day Attendance Policy

University policy requires that you attend the first class meeting of all classes for which you are registered. If you do not attend the first class meeting of a course for which you are registered, you will be dropped from the course. It is your responsibility to verify course drops and check that fees are adjusted.
