**Program Admissions Criteria:**
- 2.0 GPA for Outdoor Recreation, Recreational Therapy, and Tourism and Community Leisure Services.
- 2.0 GPA to enroll in internship.
- Students must have completed all of Area A1 and Area A2 requirements and Introduction to Recreation (RECR 1530) prior to admission to the program.

**Suggested Minors or Areas of Interest:**

---

**Advisement**
You are required to meet with your advisor at least once each semester before you can register for classes. You will be contacted through your GS student email account with details regarding how to set up an advisement appointment. Georgia Southern University email is the only official means of communication from the university. It is your responsibility to check your GS student email account regularly and respond to all emails in a professional and respectful manner.

---

**Withdrawal Policy**
As an undergraduate at Georgia Southern University, you may withdraw from a maximum of six (6) courses for your entire enrollment at the University. Once you have reached your maximum number of withdrawals you may elect to receive a “withdraw-failing” (WF) grade in a course, which is calculated as an “F” for GPA purposes.

---

**First Day Attendance Policy**
University policy requires that you attend the first class meeting of all classes for which you are registered. If you do not attend the first class meeting of a course for which you are registered, you will be dropped from the course. It is your responsibility to verify course drops and check that fees are adjusted.
