Prior to Applying to the INDS Program

Applications are due each semester on the Friday following the last day to withdraw without Academic Penalty, by 4:30 pm (in March, July, and October). In order to be eligible for application into the INDS Program, students must:
1. Declare Interior Design as their major.
2. Have a minimum of first semester sophomore status (30 credit hours completed) upon applying to the program.
3. Have an overall GPA of at least 2.25 in all attempted coursework. (Both transfer credit and GS credit are considered.)
4. Complete the following Area F courses with a grade of "C" or better (students may be enrolled in any of these courses during the application semester):
   - "INDS 2430 Design Appreciation - Two of the following: ART 1010, ART 1020, ART 1030 (preferably ART 1020 and ART 1020)
   - "INDS 3435 Design Studio II

Program Progression Requirements

- Students must get a grade of "C" or better in all Area F and major classes.
- Students must maintain an overall GPA of 2.25 or higher.
- Students must meet with their Academic Advisor each semester.
- Students should adhere to the above course sequencing. If a course is dropped or failed, then the student will be out of sequence and graduation will be delayed. These students may have to reapply to the program depending on circumstances, availability of space, and time elapsed between classes.
- Students that drop from the program due to personal reasons and wish to reapply at a later date must have courses and skills reevaluated to determine eligibility for the current curriculum and program.

College of Behavioral and Social Sciences Advisement Center

Advisement

You are required to meet with your advisor at least once each semester before you can register for classes. You will be contacted through your GS student email account with details regarding how to set up an advisement appointment. Georgia Southern University email is the only official means of communication from the university. It is your responsibility to check your GS student email account regularly and respond to all emails in a professional and respectful manner.

Withdrawal Policy

As an undergraduate at Georgia Southern University, you may withdraw from a maximum of six (6) courses for your entire enrollment at the University. Once you have reached your maximum number of withdrawals you may elect to receive a "withdrawal-failing" (WF) grade in a course, which is calculated as an "F" for GPA purposes.

First Day Attendance Policy

University policy requires that you attend the first class meeting of all classes for which you are registered. If you do not attend the first class meeting of a course for which you are registered, you will be dropped from the course. It is your responsibility to verify course drops and check that fees are adjusted.

Movement Through the INDS Program

Once accepted into the Interior Design program, you will move through a series of five (5) Design Studio courses. This is a five-semester sequence (Spring/Fall semesters). Along with each Design Studio class, you will take a prescribed group of other classes for the major, as well. This course movement is fixed, because of pre-requisite requirements and course rotations. Taking these classes out of this order could delay graduation.

Notes:
- TCGT 1530 (Fall/Spring/Summer) and ARTH 2531 (Fall) can be taken during any year in the program.
- Students transferring into the Interior Design major from other majors/institutions may not be able to graduate within the traditional four year period.

Fall Start in INDS Program

If you start the Interior Design Program in a Fall term, you would take these classes in this order:
1. Term 1: Fall
   - INDS 2435 Design Studio I
   - INDS 2436 Interior Materials & Systems (Fall only)
